# COCO LEARNS TO SAVE MONEY

A FINANCIAL LITERACY WORKSHEET FOR AGES 7-9

# Coco Learns to Save Money

A Financial Literacy Worksheet for Ages 7–9

## Coco's Story

Coco gets R10 every week for pocket money. She wants to buy a new skipping rope that costs R40. Instead of spending all her money, she saves R10 each week in her piggy bank. After 4 weeks, she has enough to buy the skipping rope. Coco feels proud and happy!

### ACTIVITY 1: Coco's Savings Plan

How much does Coco save after 2 weeks?

$$R10 \times 2 = R \underline{\hspace{2cm}}$$

How many weeks does she need to save to buy something that costs R50?

$$R50 \div R10 = \underline{\hspace{2cm}} \text{ weeks}$$

### ACTIVITY 2: Good or Not?

- Spending all your money as soon as you get it.  Good  Not Good
- Saving money to buy something later.  Good  Not Good
- Hiding your money in the garden.  Good  Not Good
- Using a piggy bank or savings account.  Good  Not Good

### ACTIVITY 3: Spelling Time

- S \_ \_ \_ \_ G (Keeping money for later)
- P \_ \_ \_ Y (Type of bank at home)
- C \_ \_ \_ (Something you can buy)

### ACTIVITY 4: Why Do You Save?

What would you like to save money for? Write or draw it below!
