

Coco Learns About Banks

A Financial Literacy Worksheet for Ages 7–9

Coco's Story

Coco wants to keep her money safe. Her older brother takes her to a bank. The friendly banker explains that banks help people save money and even earn a little extra money-called interest.

Coco gets her own savings book and learns to use the ATM with help from her brother

ACTIVITY 1: What Do Banks Do?

Tick the things banks help with:

- ☐ *Playing games*
- ☐ *Saving money*
- ☐ *Buying toys*
- ☐ *Keeping money safe*

ACTIVITY 2: Saving Up

Coco saves R10 each week. How much will she have after 4 weeks?

$R10 \times 4 = R \underline{\hspace{2cm}}$

ACTIVITY 3: Fill in the Blanks

1. B _ _ _ (Place where you save money)
2. A _ _ (Machine to withdraw cash)
3. S _ _ _ _ S (Type of account for saving)

Banks help keep your money safe and teach you how to grow it wisely!
